**ADDITIONAL COMMENTS**

Please use the space below to include any further comments you have relating to the Panel's proposals on Members' Constituency Office Expenditure:

I understand the need to scrutinize and rationalize public expenditure, however feel that the detail in some of the proposals herein demonstrate a distinct lack of understanding of the role remit and responsibilities of an MCA  
 ie: proposed opening hours when in practice as an MCA I am readily accessible to the vast majority of my constituents and the implications that new hours could have on staffing arrangements, security etc.

I also feel that being overly restrictive with regard to rental allowance etc restricts a member's choice and potentially accessibility.

The huge percentage of my constituents do not have access to "on line" information leaflets and <sup>views</sup> ~~are~~ and newsletters as informative and useful. Party insignia should be allowed as per the current arrangements.

### ADDITIONAL COMMENTS

Please use the space below to include any further comments you have relating to Members' Travel and Subsistence Expenditure:

*prolonged illness has to be factored into this consideration. The percentage does not take into account situations where the member is not in situ for the full month*

## Childcare Expenses

### 17 Current system for Members' Childcare Expenses

17.1 The Panel has been asked by the Assembly Commission to consider the removal of Members' childcare allowance. The Panel is mindful that childcare arrangements and support are currently under review at a National level. Within the Assembly, all Members can currently apply for a contribution towards the cost of the care of their children while they are at work.

17.2 In 2012, the Panel determined that an Assembly Member could claim a Childcare Allowance in respect of childcare expenditure which they have incurred for a child or children up to the age of 14. This allowance is taxable.

17.3 The current rates are:

- £40 per week until the child reaches 5 years of age or starts school, whichever is the earlier, and
- thereafter £20 per week until the child reaches the age of 14.

17.4 The removal of a childcare allowance for Members would result in savings of approximately £60k based on the anticipated full year costs for the 2014/15 financial year. The Panel previously proposed in their 2012 Report that the Assembly Commission consider other childcare schemes available, including the establishment of a Childcare Voucher Scheme for Members. The panel is now seeking views on whether to remove or retain the existing scheme.

*If we are to encourage more females to actively participate in elected positions we need to fully support them especially in the realms of childcare.*
